

21<sup>st</sup> September 2020

Dear Parent

In preparation for the possibility of pupil self-isolation or if we should need to close bubbles in school, we are working on our Remote Learning offer. All schools have been asked by the Department for Education to have a contingency plan in place to support learning at home. In order to create this contingency plan we need a good understanding of the access our children have to online resources at home. Please could you complete this short survey to support our planning?

Please complete the survey by clicking on the link below -
