Oak Class
Friday 25th
September
2020.

Home Learning

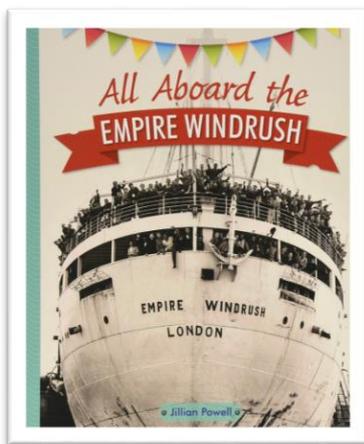

Home learning will be set on a Friday and should be handed in the following Wednesday.

Google Classroom:

The children have been taught how to use Google Classroom this week and are aware of their username and passwords.

Maths: 2 times tables.

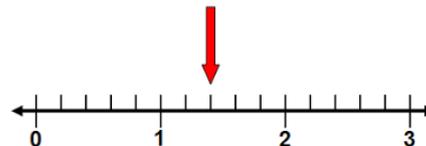

History: HMS Windrush.

Dear All

This week, the children began to learn about the HMS Windrush and the journey that was undertaken by people from the Caribbean islands. The children learnt why they came to England and the reasons why. We will continue our learning of the HMS Windrush and explore how the migrants were received in England.

In maths, we have continued our learning of number and place value. In class, we have been developing our understanding of number by using our problem solving and reasoning skills to answer questions related to their understanding of place value and number. We have also been exploring how number lines allow us to understand how we can use our understanding of number to place numbers on a number line. Following on from this, we will be exploring how to compare and order numbers.

In English, we have been using our understanding of adjectives to create an accurate setting description. In class, we have been using 'show not tell' to provide our reader with information about our setting without telling them our setting! When writing a setting description on an autumn scene, the children included noticing the leaves falling, a cold breeze touching their face and the branches becoming bare. The children will use this learning to write a setting description based on an image from Floella Benjamin's Coming to England text.

Have a lovely weekend.

Miss Cusack

Attendance

98%

Well done Oak Class! Let's aim for 100% attendance next week.

Reuben

For showing resilience and determination when completing his learning well done!

P.E will be on a Monday.

The children will need to come into school in their P.E kits and will return home in their P.E kits. They do not need to bring their school uniform to change into.

Please order your child/children's school lunch by midnight the day before online. <https://eduspot.co.uk/> If you do not order your child's meals the kitchen will automatically give the children having school lunches the meal of the day. If you are having problems ordering your child's lunch please contact the school office.

Please send your child into school with a named waterproof coat and named drink's bottle. There has been some confusion about lost cardigans/jumpers at school, please could you name your children's uniform. Thank you.

If parents wish to contact me directly, please email using the class email address oak20wa@lapsw.org.
