DfE PERFORMANCE TABLES 2018 AND 2019

Dear Parents and Carers,

It is my pleasure to welcome you and your child to our family of schools, The Learning Academy Partnership (Trust). It is a privilege to be able to offer your child a place at West Alvington Church of England Academy as they begin their very first year of school.

Starting 'big school' is an important first step in your child's journey through education and by working together we will be able to ensure that your child flourishes and has the very best start to their school life.

As a parent or carer you can be assured that by choosing a school in The Learning Academy Partnership your child will be cared for, inspired and have fun through an exciting curriculum offer. Your child will also be part of a community where they will achieve academic success.

As the Chief Executive of the Trust my role is to be accountable for ensuring that our schools provide an exceptional education experience for your child. I do this through ensuring that we seize all of the benefits and opportunities that being part of Trust brings. By working together, as a large family of schools, we can achieve and offer so much more for your child than if we work alone.

The Trust began in 2012 and has grown to a large group of schools across Devon and Torbay. We are successful because we work together as a collective to serve our local communities and empower our children to be the best that they can be. We do this by offering you and your child remarkable leaders, teachers and staff who will ensure that your child has a flying start to their school life.

Everything we do, every decision we make is underpinned by our key principle of 'Children First'.

# TOGETHER WE EMPOWER EXCELLENCE

Schools in our Trust offer some of the highest outcomes in the country and our children make well above average progress throughout their time with us which fully prepares them for their secondary education. Our children benefit from the fact that we are a National English Hub which means the Department for Education recognises our expertise in developing reading and early language, every child in our Trust is a reader.

You can find out more about the Trust on our website: [www.lapsw.co.uk](http://www.lapsw.co.uk)

We pride ourselves in being rooted in the communities that we serve. Each of our schools is unique and distinctive and we celebrate this through the education that your child will receive here at West Alvington Church of England Academy.

We are at the very beginning of the relationship that we will build with you as a parent or a carer and I encourage you to become involved in the school community, come along to parent events, be part of the PTFA and use your opportunity to give feedback and help us continually improve on what we offer your child.

Once again I would like to thank you for trusting us with your child's education by choosing a school within the Learning Academy Partnership family. We are committed to ensuring the very best for your child over the next seven years that they are with us in order that they have all the tools, opportunities and choices available to them when they take their next leap on their school journey.

Yours sincerely
