Parent Updates Newsletter  
Friday 24<sup>th</sup> September 2021

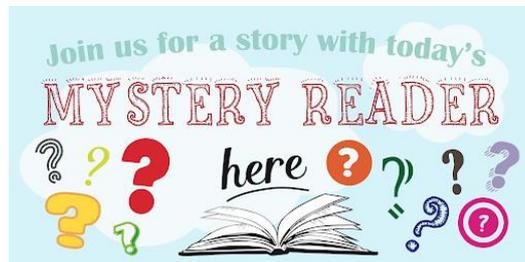

Dear Parents,

We have had a great week in school enjoying the sunshine and making the most of our outdoor space. A real highlight of the Autumn Term is how our curriculum embraces our unique local environment. This term our curriculum across the school focuses on our beautiful local area. In Oak class children will learn about the geography of Devon and consider the impact of the Romans on the local area. In Hazel class the children will explore the geography of our village, make maps and take walks around the village on field work trips.

Have a great weekend,

Miss Coombe
