

2021-22 Annual Report to Parents

Dear Parents, Carers and Families,

Each year School Trusts are required to publish their annual accounts which also captures the impact of the Trust. We have created a version of the report for you in order to demonstrate what we do as a School Trust family.

You will find information about our funding and how it is allocated, impact on schools and a celebration from each school that was part of the Trust in 2021-2022 for the full academic year.

Each year we will produce a report for you which enables you to know what is happening and to demonstrate transparency as to how we spend public funds. In our more detailed annual accounts, you will see a clean bill of health from our external audit report along with further detail.

<https://www.lapsw.co.uk/wp-content/uploads/2022/01/Annual-Accounts-31-August-2021-web-compressed.pdf>

The School Trust is not a separate entity, we describe it as ‘the schools are the Trust and the Trust is the schools’. How we make decisions and what we provide for our children is a collective decision with the Headteachers as part of the senior leadership of the Trust.

We will publish the report on the website as well as sending you this copy.

On behalf of the Trust Board, colleagues, and children I hope that you enjoy reading the report.

Many Thanks,
Tracey Cleverly
Trust Lead
