Dear Families

RWInc Information Meeting for Parents

We would like to invite you and your family to our Read Write inc. information session. We will delve into how reading is taught through phonics in school, give you some tips on how to support at home and answer any questions you may have.

We will we also discuss sharing library books together and the sort of questions you could ask your child when you read together.

Reading is key to everything your little one will do in school and beyond, and we want every child to be a confident reader with a love of books. Being able to read can really open a whole new world for your child. Learning their sounds can be really tricky so we really value your support with this.

We would encourage your attendance at this meeting which will take place on **Thursday 21st September at 3.15pm**. This session will last around 20/30 minutes.

We hope that you and your family can join us for this important session (children welcome).

Best wishes,

Miss Cose
