

Pupil premium strategy statement

This statement details our school trust use of pupil premium (and recovery premium for the 2023 to 2024 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year the effect that last year's spending of pupil premium had within our school trust is held on the individual websites of each of the individual schools within the Trust. 2021-2024 is the first year we have written a one school trust pupil premium strategy statement.

Part A: Pupil premium strategy plan

Statement of intent

Our School Trust is committed to ensuring that every disadvantaged pupil receives the best possible education and that gaps in outcomes are closed in all key outcomes. We want our disadvantaged pupils to flourish in all aspects of their education. The disruption children and young people have faced to their education during the pandemic has been extensive nationally and will likely have profound consequences. Attainment and educational progress particularly for those disadvantaged has been affected, but so too has their emotional and social development.

This pupil premium strategy plan aims to close the considerable gaps in attainment as a result of the pandemic and mitigate the impact of the pandemic on children's lives.

The key principles of this strategy plan is to build sustainable, long-term support in order to overcome the barriers of:

- *Rebuilding a culture of good attendance*
- *Support for the increasing number of families going into crisis*
- *Younger pupils (Early Years and KS1) and, in particular, Early Reading*

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils across our one school trust.

Challenge number	Detail of challenge
1	Attendance rates have fallen.
2	Gap has widened in all outcomes in early reading outcomes for eligible pupils
3	Gap has widened in Writing outcomes for eligible pupils
4	Significant increase in the number of eligible children and families going into crisis
5	Significant widening of gaps for younger eligible pupils (EYFS and KS1)

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current 3 year strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
A culture of good attendance is re-established across the school trust	More pupils are in school more of the time. Absence rates of eligible pupils are in line with national in all schools across the school trust and persistent absenteeism for eligible pupils is below nationals across the school trust
Gaps in early reading outcomes for all eligible pupils are closed. The bottom 20% in reading are targeted in a timely way to ensure that all pupils are reading by 6.	Gaps in early reading outcomes for eligible pupils are reduced to less than 10% across the school trust in the first year and in line with by the end of the third year.
Gaps in writing across the school trust for all eligible pupils are closed at both expected and greater depth.	Gaps in Writing outcomes for eligible pupils are reduced to less than 10% across the school trust in the first year and in line with by the end of the 3rd year
A full time Family Support/Safeguarding Lead works with eligible pupils and families. Pupils and families are supported in a timely way to ensure that disruption to education is minimised and barriers are overcome.	Gaps that have arisen due to barriers experienced by the most disadvantaged pupils are closing and eligible pupils are in school, supported and ready to learn.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

Intended outcome	Impact			
<p>A culture of good attendance is re-established across the school trust</p>	<p>The school has a dedicated attendance leadership team who support our families at the time of need to support an increase in understanding of strong attendance, the effects of poor attendance on the child and helps to remove barriers for the family through the school or external early help where possible. The school attendance leadership team have worked to develop a clear strategy for tackling attendance across the school with fortnightly meetings to identify target pupils before they fall. The attendance team also conduct a summary meeting each half-term to analyse trends in attendance for groups of pupils and make changes accordingly.</p> <p>The impact of the actions of the attendance team is demonstrable in the attendance data gradually improving from 22/23 to 23/24 to Autumn term 24/25</p>

There are additional 1:1 intervention daily for children identified in the bottom 20% to close their bespoke gaps in knowledge and help them to make accelerated progress. We work closely with an external Early Reading leader to quality assure our approach and ensure that our provision is tailored to supporting the needs of all pupils.</p>			

<p>Gaps in writing across the school trust for all eligible pupils are closed at both expected and greater depth.</p>	<p>We are beginning to close the gap for eligible pupils achieving the standard in writing and impact has been seen this year from our new writing approach. The professional development for staff has focused on pedagogy, specifically modelling and scaffolding this year, as well as beginning to support teachers in 'deepening the moment' to enhance children's writing.</p> <p>At the end of Key Stage Two outcomes were -</p> <table border="1" data-bbox="523 465 1334 958"> <thead> <tr> <th></th> <th>22/23</th> <th>23/24</th> </tr> </thead> <tbody> <tr> <td>KS2 Writing PP</td> <td>50% Expected</td> <td>No PP children in cohort</td> </tr> <tr> <td>AST</td> <td>0% Greater Depth</td> <td></td> </tr> <tr> <td>KS2 Writing ALL</td> <td>75% Expected</td> <td>100% Expected</td> </tr> <tr> <td>AST</td> <td>25% Greater Depth</td> <td>50% Greater Depth</td> </tr> <tr> <td>Nationals</td> <td>71% Expected</td> <td>72% Expected</td> </tr> <tr> <td></td> <td>8% Greater Depth</td> <td>13% Greater Depth</td> </tr> </tbody> </table>		22/23	23/24	KS2 Writing PP	50% Expected	No PP children in cohort	AST	0% Greater Depth		KS2 Writing ALL	75% Expected	100% Expected	AST	25% Greater Depth	50% Greater Depth	Nationals	71% Expected	72% Expected		8% Greater Depth	13% Greater Depth
